What does my membership pay for?

DID YOU KNOW THE PELICAN CENTRE IS A REGISTERED CHARITY? IT WAS SAVED BY THE COMMUNITY FROM CLOSURE BACK IN 2012!

Every £1 that you spend with us is reinvested, not only for maintenance or new equipment within the centre, but we cross subsidise, so you'll also support others in the community.

FACT!

We've not raised our pay as you go swim prices, including discount cards, since 2012!

Helped over 50 people receive 1st aid training for FREE

Provided free showers and toiletries for those who are homeless

Provided over 800 school swimming lessons

A glimpse of our success in 2018-19:

Funded the pool hire for the annual ATSA Gala and competitions

Subsidised 2 ATSA holiday sport camps

Funded room hire costs so we can continue to host the film session

Supported the youth voice project with a regular base

Provided FREE pool hire for Wigan Swim Scheme

Supported Tyldesley Creative Writers with a monthly venue

Supported those who feel isolated in our community

Offered free swim sessions for those needing assistance passing KS2

You've very kindly donated to the red box project and the food bank.

These are just some of the examples of groups, sessions and people you've supported by coming to The Pelican Centre!

Natalia

Train to teach here with

LEARNING FUTURES PARTNERSHIP

Join our outstanding teacher training programme and make a difference to the lives and futures of the pupils you teach.

TEACH

LEARNING FUTURES Partnership

Website: www.learningfuturespartnership.net
 Email: enquiries@learningfuturespartnership.net or enquire at reception

Are you passionate about entering the teaching profession and making a difference to the lives and futures of the pupils you teach?

You can train to teach with the Learning Futures Partnership. Our mission is to recruit, develop and retain exceptional professionals by offering supportive initial teacher training in and around the Wigan area. We pride ourselves on our personal approach and are committed to ensure that you make the decision that is the best one for you and your future career.

The Learning Futures Partnership is alliance of Byrchall High School, Fred Longworth High School, Hawkley Hall High School, Winstanley College and Tyldesley Primary school.

We are invested in your development and will support you from the very first time you contact us.

Our School Direct course awards a PGCE with Masters Credits.

What are we looking for?

- Graduates, Undergraduates and career changers.
- You will need to be educated to degree level and have a GCSE in maths and English at C or above.
- Those interested in teaching the subjects offered at Learning Futures Partnership September 2019-20 which are as follows:
English, maths, product design, chemistry, physics, biology, geography, history, languages, computer science, PE, drama and primary teaching.

If you are unsure about your subject choice please do not hesitate to get in touch for advice. We can also advise about your application, bursaries and subject knowledge enhancement courses that can be completed whilst you train.

To discuss your options further and to arrange school experience please contact Learning Futures Partnership on **01942 204640** or email enquiries@learningfuturespartnership.net.

Becoming a teacher could be the best decision you ever make
