#### Introduction

APSA (Atherton Primary Sports Association) was formed in June 2011 when some of the PE leaders in Atherton could foresee that there would be a 'gap' in sporting provision for Primary schools in Atherton for 2011/2012. We felt that this 'gap' needed to be filled, especially as this was in the lead up to the 2012 London Olympics. We wanted to continue and build upon the fantastic work that Mr Kirk Jameson had commenced in his role as SSCO at Hesketh Fletcher High School. In our first year we

organised 10 events which catered for the needs of 7 primary schools. With the support of local councillors, our first year culminated in a large Olympic parade through the streets of Atherton.

As the 'consortium' model took shape across Wigan schools in September 2012, APSA extended its coverage, to fall in line with the Atherton and Tyldesley Consortium and became known as ATSA (Atherton and Tyldesley Sports Association). This meant that

16 primary schools across Atherton and Tyldesley were being catered for. Because of this large number, a decision was made that some events would be split into an Atherton and Tyldesley section, namely football and netball leagues. In total, we had 15 events take place in 2012/2013 including our first theory based session (Sports Psychology) being held at St. Michael's School. 2013 also saw us make links with the local community as Pennington FC offered to host the KS1 Football Competition.

As we moved into 2013/2014, the success of ATSA was formally recognised by winning 'The Martin Lynn Contribution to School Sports Award' at the Wigan Sports Awards. From this it was necessary to formally constitute and set up a group of voluntary 'board' members. New developments included: a logo and 'strapline' designed by local children, a Facebook page was set up, a schools swimming gala being held at the Pelican Centre in Tyldesley (the first schools gala in over 25 years!), a Dodegball

Competition supported by DodgeballUK and a football referees course run by Lancashire FA. More links were made with community clubs such as Astley and Tyldesley Cricket Club, Astley VIP Boxing club, Astley Golf Range, Eccles Archery club and Leigh Centurions who all supported our events. Sports leaders from both our local high schools also supported events as part of their PE qualification. We started to cater for the adults in our area as we held the first of our staff/parent football matches. We also organised the first ATSA/Safe-Elec-UK Residential Sports Weekend in the Lake District which was a huge success.

It was in June 2014 that ATSA again was formally recognised by winning 'Outstanding Contribution to Local Education' from the local National Union of Teachers. 2014/2015 saw many 'firsts' for ATSA as we produced our first ATSA Directory, held our first CPD event for staff (Inclusive Sports), took part in the Atherton Carnival and organised many events in different sports for the first time, namely VX, Smite!, Futsal, Dance for KS1 & KS2, Sportshall athletics for KS1 & KS2, Tennis, Crown Green Bowling and Cycle Speedway. We also worked with the Challenge4Change Centre and the Ben Cohen StandUp Foundation to have two events focusing on some of our disadvantaged children.

June 2015 saw two significant events take place in the life of ATSA - first we launched our Sports Council, involving two children from each of the 16 schools formally representing their school and contributing to the ongoing successful leadership of ATSA - who better to ask for ideas than the very people who are at the heart of all we do? Secondly, it was during June 2015 that ATSA celebrated its 100<sup>th</sup> event since forming in 2011.

During 2016/2017, ATSA strengthened its links with Leigh Harriers as the second 'Graham Jackett Cross Country Challenge' and the first ever ATSA Track and Field Athletics event took place. ATSA also started to celebrate some of the local sporting talent within the area through developing its 'Recognition of Local Talent' display. The Sports Council also put together the ATSA logo mosaic, which is on display at The Pelican Centre.

In 2017/18, our 7<sup>th</sup> year, opportunities for ATSA to work with 'professional' sporting personnel and organisations started to develop. Former England goalkeeper, Chris Kirkland, coached a group of children during the 6 week Goalkeeping Academy. Our Sports Council spent a day at Wigan Athletic Football Club as they launched the 'Healthy Hearts' project across the borough. Select Group referee, Darren Bond, did further work in our school in conjunction with Premier Game Match Officals (PGMOL). Former Olympic Athlete, Jenny Meadows, started to work in our schools, leading inspirational assemblies as well as coaching athletics. ATSA also made a link with Manchester United Football Club as eight schools took part in the Y2 and Y3 football

tournament at The Cliff training ground. It was also during this year that ATSA was asked to promote and host the FA Primary Teachers Award, bringing together 21 professionals supporting their development with the teaching of Physical Education.

Sunday 1<sup>st</sup> July 2018 saw ATSA expand its provision further as sponsorship was secured from 'Octagon Education' to take 61 children and adults from seven local schools to The British Athletics Championships in Birmingham!

October 2018 saw ATSA join with Fur Clemt to launch its first 'All Sports Holiday Provision'. Children were able to access a day of high quality sports holiday provision from the likes of Jenny Meadows, Wigan Athletic, Leigh Centurions and Fun Swim at The Pelican Centre, with lunch provided by Fur Clemt, for £3 per day! 'All Sports Holiday Provision' has progressed each half term to include dance and boxing. As children are able to select as many (or as few) days as they like, they can access activities they prefer or wish to develop further in an affordable way each half term.

For our youngest children, we forged a link with local company, Kickstarterz who provided us with a gross motor skills session for our Reception children. We booked Kickstarterz to lead several sessions for both Nursery and Reception children throughout 2019/2020. June 2019 also saw us appeal to our local community to start to donate any unwanted sports equipment/clothing to ATSA with our ATSA 'Extra Time' scheme. Donated items will be collected by ATSA and then re-distributed within our

community to people who may be able to provide 'Extra Time' for the items, continuing to make use of it. Several schools and local community venues volunteered to act as 'drop off' points for this so that items could be collected together and stalls set up at future ATSA events throughout 2019/2020.

September 2019 saw us consult with our Sports Council as we looked to develop ATSA in other areas within our community. Feedback from the children helped us shape a Community Investment Fund bid to Wigan Council and the 'All Being Well' project was launched in January 2020 with the children of St. George's Central CE Primary School and Nursery. Feedback from our consultation with children told us that they wanted activities in their community 'beyond the school day' and so the 'All Being Well' project was formed.

Throughout September and October, we then met with local 'providers' who could potentially lead sessions based on the feedback from the children. At the time, the future of Shakerley Community was uncertain and so we saw this as an opportunity to develop the project but also support and promote the use of Shakerley Community Centre.

As well as the ideas discussed with the providers above, other plans for the 'All Being Well' project evolved and we started to think about how this project could:

- \*develop opportunities for intergenerational work (between schools and local residential homes);
- \*provide opportunities for children to care for their local environment;
- \*provide opportunities for children to support the global environment and
- \*help children develop their reading skills alongside their physical health.

Many 'strands' of the 'All Being Well' project would require funding and so in December 2019, a Community Investment Fund application was applied for with the aim of securing funding for the planned sessions at Shakerley Community Centre. An idea put forward by a teaching assistant from St. George's Central, Mrs Woodward, meant that some finances would be needed for the 'Reading Rewards' idea.

Some elements of the project would not require any financial commitment, just some planning from schools and time on the school timetable. January 2020 saw classes from St. George's Central CE Primary School and Nursery start to make regular visits to Hillcrest Residential Home in Tyldesley.

Most schools visit their local residential home, however, we wanted the 'intergenerational' part of this project to be a much more firmer link.....something more than the choir going singing to residents at Christmas. We introduced the use of weekly Picture News resources with the residents. it was felt that this approach would not only provide a focus for the children when visiting, but would also provide an engaging and enjoyable experience for both the residents and the children. This work would form part of regular planned work for schools and would become part of the Curriculum Intent of schools involved.

In February 2020, links were made with 'Toni Marie Yoga' as Yoga Taster Sessions took place for children and staff at St. George's Central School. Plans were then put in place for Yoga Taster Sessions to be a regular part of our 2020-2021 calendar of events.

Our focus on the local environment started in March 2020 as classes from St. George's Central started to undertake litter picks within the locality of their school. This would form part of regular planned work for schools and would become part of the Curriculum Intent of schools involved.

Little did we know at the Y3/4 Futsal event on Friday 13<sup>th</sup> March 2020 (pictured left) that the next ATSA event would take place 13 months later as COVID-19 took hold across the world. A week after St. Michael's won this event, schools closed to most children and there was the birth of remote home learning. At the end of March 2020, work on the 'All Being Well' project was put on hold. In August 2020, we received the news that our Community Investment Fund application was unsuccessful. Therefore, we started to look at how we could continue to develop the 'All

Being Well' project without this funding.

Staff in schools had to think of creative ways to motivate children to keep physically fit at home and in school during this time and over the course of the Summer Term, different images were shared by ATSA staff online to promote physical activity:

In August 2020, we met with representatives of the newly formed 'For Tyldesley' group for the first time as we were set the challenge of developing a project for schools that would help to support and promote the town centre. Our idea was to create a piece of mosaic artwork that would be in place at the large bus stop on the guided busway in Tyldesley. Our financial bid was successful and schools were asked to submit designs for this. Once all the designs were collated, a 'version 1' design was put together by artist Tracey Cartledge:

ATSA events formally re-started on Monday 10<sup>th</sup> May 2021 when five schools came to St. George's Central Primary School and Nursery for the Girls' Football Competition. It was great to see the children come together again to compete against each other.

Time was taken during the summer of 2021 to plan for the 'full offer' of ATSA events for 2021-2022. Although schools returned to more of a 'normality', COVID-19 remained a concern for many. Therefore, subtle amendments were made to ensure that the children were able to fully access the wide range of events on offer.

September 2021, saw the launch of an annual 'ATSA Award'. This gave schools an opportunity to work towards a Gold, Silver or Bronze standard based on a set criteria, communicated to schools at the start of the year. Zumba Taster Sessions were also new in 2021-2022 as we looked to not only broaden our offer of sports, but also make further community links in a new area.

Feedback was used to create a 'version 2' of the mosaic design and in May 2022, children from the schools involved, came together to create the final design.

The mosaic project took a 'back-burner' at the start of the 2022/2023 school year and so a return to the 'All Being Well' events of 2019 took place as visits to Hillcrest Residential Home and community litter picks re-started in January 2023. The vision is that these two activities become an inherent feature of all schools. I view it as a positive that children should look after and care for their locality as well as supporting older members of their community. Working with schools to promote these activities is something that we are looking to do with the creation of an 'Intergenerational Range of Activities' being something that we are looking to develop.

Celebrations for children took place at the end of June 2022, in the form of the hugely successful, 'Tri-Kidz' event. Children from 16 schools took part in the week-long event, which involved a team of eight KS2 children running, cycling on a static bike and then finishing with a further run! The level of determination and commitment from all the children who took part was amazing to see and after a close final event, it was Holy Family who were crowned the 'ATSA 10 Year Event' Champions.

On the evening of Friday 1<sup>st</sup> July 2022, it was time for the adults to celebrate as the 'ATSA 10 Year Celebration Event' took place. ATSA reps, headteachers, teachers, local coaches, community group members and former ATSA participants came together as guest speakers, Luke Joyce, Dave Morris and Rachel Hornby all gave a different insight into their sporting life.

It was during 2022/2023 that events in two new strands of ATSA were developed. Our 'Access to Success' events were borne out of a successful meeting in November 2022 with Rowan Tree Primary School Deputy Headteacher, Mrs Oliver. The vision was to provide specific inclusive events for the children across all our schools and, in January 2023, the first of these event took place with a joint team of St. Ambrose Barlow and St. John's winning the Access to Success 'Boccia' Competition. Three

further 'Access to Success' events took place in 2023. These events now form part of the annual ATSA offer and ensure that all children are now able to access more events.

ATSA saw an opportunity to build on the success of the ATHOS Consortium events from 2019 and so four events in the new 'Active Minds' strand were planned. These events provided children with an opportunity to compete against other local schools in 'non-sporting' events. In March 2023, the first 'Active Minds' events took place with Holy Family winning the Road Safety Quiz. A Spelling Competition, a Times Table Competition and a Team Building Competition also took place during the

Summer Term of 2023. The uniqueness of the Team Building Competition was that Sports Council members from eleven schools came together in February 2023 to plan and organise this event. Therefore ATSA now has its first event for children, that was created by children.

It was also early in 2023 that discussions about a collaborative music event for schools took place with Miss Gray (Music Leader at St. George's Central). This conversation originally took place with Miss Gray in 2019, however our plans for this event were put on hold. After securing a venue, meeting with music leaders and organising performers, it was pleasing that on Thursday 25<sup>th</sup> May 2023, the first ever 'Let's Play!' music events took place.

ATSA was proud to be behind the first ever 'Let's Play!' music event which took place in May 2023. The success of this event provided the appetite for further 'cultural events' and after a meeting at The Snug in June 2023, two Poetry Performances events were added to the calendar of events, to take place at the Atherton venue, on National Poetry Day and World Book Day each year.

It was also in the Summer Term of 2023 that the Tyldesley Mosaic project 're-started' with the construction of the wall for the mosaic.

Artist Tracey Cartledge and father and son tilers, Andy and Andy Carroll, spent a weekend in June 2023, putting the mosaic design in place with all stakeholders coming together on Thursday 22<sup>nd</sup> June 2023 to celebrate the unveiling of the mosaic.

Thanks to the 'For Tyldesley' group for their support with this project, which started as an idea for Tyldesley in 2012, continued with a funding bid in 2019 and became reality in 2023.

As we moved into the 2023/2024 school year, ATSA developed a link with Everton FC and football events were organised for Year 1, Year 2 and Year 3 children. In the same month, a successful meeting with Leigh Miners American Football Club meant a Flag American Football Taster Session and Competition was added to the ATSA offer. In October 2023, our first poetry event also took

Friday 15<sup>th</sup> March 2024 saw the Tyldesley Mosaic finally fully completed:

In March 2024, in preparation for the first ever ATSA Orienteering Competition, an opportunity was provided for ATSA staff to undertake training with The Orienteering Company. News of ATSA's desire to evolve had started to spread as Leigh Film Factory offered to organise and host a Young Film Makers Event, to be held at their cinema in Leigh Spinners Mill. In June 2024, this same venue hosted ATSA's first ever Art Exhibition. It was also in June 2024 that the first ATSA Chess Competition for schools also took place.

In the Summer of 2024, an opportunity for ATSA to add a further 'cultural event' to its annual offer was presented and so a decision was taken to formally recognise these events within the ATSA offer. Therefore, the ATSA 'Arts Event' and ATSA 'Community Care' strands were added, which meant that all the elements that were included within the original 'All Being Well' project now fell within the ATSA offer.

2024 – 2025 saw ATSA continue to expand its offer as various new events made an appearance within the ATSA calendar. Wigan Library Services were keen to be involved with the ATSA offer with an Advanced Writing Workshop led by Dan Worsley, a Stage School Workshop with Lisa Lundie and a Circus Skills Workshop fronted by Adrian Catch. Feedback from the annual ATSA survey was acted upon as a Badminton Taster Session was in place. January 2025 saw a link established with 'The Big Comedy Shop' with the first ever KS2 Comedy Workshop taking place in May 2025.

ATSA 2024-2025

For this year, many events are planned, which will broaden the opportunities that our children have and for me this is what ATSA is about – providing **OPPORTUNITIES**. As we move into our **15**<sup>th</sup> **year** I think about the many **opportunities** we are providing through sports, and its many benefits, and I reflect on some of my reading:

"We like to think that sport is a meritocracy – where achievement is driven by ability and hard work – but it is nothing of the sort. Think of the potential table tennis champions not fortunate enough to live in Silverdale Road, with its peculiar set of advantages. Think of the thousands of potential Wimbledon champions who have never been fortunate enough to own a tennis racket or receive specialised coaching. Think of millions of potential Major-winning golfers who have never had access to a golf club.

Practically every man or woman who triumphs against the odds is, on closer inspection, a beneficiary of unusual circumstances.

The delusion lies in focusing on the individuality of their triumph without perceiving – or bothering to look for – the powerful opportunities stacked in their favour."

Pages 8 – 9 from 'Bounce – How Champions are Made' by Matthew Syed

When people ask me why did we create ATSA? What's its aim? I respond by saying that we are providing children with a sporting **opportunity** (not just a sporting opportunity anymore!), one that they may not have had before. I would not want any child to leave an Atherton or Tyldesley primary school saying, 'we never had a chance to do that!'. Through attending some of our events we are primarily aiming to instill a life-long love of sports and keeping active in order to promote a healthy lifestyle. However, through providing these **opportunities**, we are also looking to unearth those potential Wimbledon champions or world champion boxers!

To support the ATSA offer, since 2019/2020, we have taken formal feedback from ATSA stakeholders to support our continued improvement. Click the link to view this: <u>Annual stakeholder feedback</u>

As a final comment, I will reinforce the message given each year about our strapline of 'Friendship Through Sport' – this is ideal for our young people as no matter what colour school uniform the children wear, no matter what team they represent, they are all members of the Atherton and Tyldesley community and, for me, our events should form the basis of lifelong friendships. This is the same for the staff, many of whom have become 'friends through sports'.

"Friendships born on the field of athletic strife are the real gold of Competition. Awards become corroded, friends gather no dust". Jesse Owens

Have a good year and I hope to see you at one of our events.

#### ATSA Sports Council members: 2025 - 2026

In April 2015, I was asked for my ideas for a local community project – when I was asked my opinion, I replied by saying, "It's no use asking me – I will not be using the facility, why don't you ask the children?"

From this, the idea of a Sports Council was born! The idea became reality in June 2015 as children from different schools attended St. George's Central for a 'launch' event. Schools had selected one boy and one girl to represent their school at meetings and events. Councillor Jo Platt and Trevor Barton MBE were present for the 'launch' of the council and, from this first short meeting, both were suitably impressed with the ideas and attitudes of the children. Over the years, some of the key tasks/activities that the ATSA Sports Council have been involved with include:

- \*Setting up our 'Code of Conduct' for ATSA Sports Council members in our initial meeting;
- \*Thinking of ideas to support the building development of the Pelican Centre;
- \*Using their journalistic skills to interview Micky Higham, Cory Paterson and Harrison Hansen at a special event at Try Fitness;
- \*Attending the opening of the World Short Mat Bowling Championships in Leigh;
- \*Attending a Sports Science day at Salford University;
- \*Contributing to the ATSA Mosaic design which is now on display on the Pelican Centre;
- \*Attending the Launch of the Healthy Heart Project at Wigan Athletic;
- \*Contributing to the mosaic design which is on display at Shakerley Community Centre;
- \*Providing ideas as part of the 'All Being Well' project consultation;
- \*Designing a new ATSA event (Team Building Competition);
- \*Developing the ATSA Child Code of Conduct.

Winner of the ATSA 'Child Code of Conduct Design Competition: Nenyasha (St. George's Central).

See page 48 for the final Child Code of Conduct Design

The aim is that the ATSA Sports Council will meet to provide feedback and discuss ideas and future projects.

# ATSA Event Process/Protocols for 2025 - 2026

#### (Any new elements/amendments for 2025 – 2026 are highlighted/italics)

The financial contribution to ATSA for 2025 – 2026 is £300 per school. Additional financial contribution is required for the Sports Weekend.

#### **Events**

- -a survey entry link will be emailed to all ATSA representatives to complete for their school.
- -event entry will only be accepted through completing this entry survey (entry to events by email or WhatsApp will no longer be accepted).
- -the date of each event, together with the 'deadline' for entry is included on the calendar (please note, the entry survey will 'close' at 12:30pm on the deadline date).
- -some reminders may be sent via the ATSA WhatsApp group.
- -different events will be 'organised' by different ATSA members.
- -no late entries will be accepted.
- -lodging an entry to a Competition is a commitment to take part and last minute cancellations will not be accepted.

#### -the number of participants for Taster Sessions will be communicated via the confirmed event email.

- -should a school 'drop-out' of an ATSA event *once the entry survey is closed* or should a school fail to turn up for an event they have committed to attend, then they will not be permitted to enter the same event next year. This includes football fixtures. ATSA reserve the right to enforce this 'policy' whatever reason is provided.
- -all rules for events are included in this booklet (event organisers reserve the right to amend the rules/fixtures/format of their event, however, this should be in exceptional circumstances only and all schools need to be informed BEFORE the event commences).
- -once dates/fixtures for an event are sent out, no dates/fixtures will be changed to suit individual schools. All fixtures are to be played on the night they are planned for. (For example: if you cannot attend the Netball league on a Monday, then another member of staff will need to bring your children on a Monday so that you can fulfill the fixtures).
- -if schools confirm their attendance at a Taster Session where there is a Competition to follow (VX and Cycle Speedway), then you will automatically enter the Competition. Schools must take part in the Taster Session to enter the actual Competition. The children who attend the Taster Session must also be the <u>same ones</u> who take part in the Competition.
- -children will only be permitted to play in one football league. For example, if you have a girl who represents your school in the Mixed Football League then this girl CANNOT also play in the Girls' Football League. Schools must decide which team some of their children are going to play for and then stick to their decision.
- -the decision of ATSA/the event organiser is final.
- -only 'partner schools' will take part in the ATSA All Sports Holiday Provision.

#### \*Organisers of events are responsible for ensuring:

- -they have the full list of schools entering an event.
- -they have completed any fixtures required.
- -they have organised officials/umpires/referees who are all aware of the rules for the event.
- -they have all equipment in place for their event it is the organisers responsibility to ensure that ALL resources are in place for an event (For example: whistles for football, *bibs* etc).
- -they let Mr M Grogan know the names of the schools entering the event as soon as possible after the cut-off date so that certificates can be arranged and ATSA records updated.
- -that all fixtures are sent out to participating schools at least one week before an event takes place.
- -they greet each school as they arrive at the event, making contact with the member of staff from each school.
- -they are present for the duration of their event, ensuring that it commences promptly and that scores are recorded accurately.
- -that people who have been involved with the event are thanked on behalf of ATSA by all the participants.
- -Mr M Grogan knows (should I not be there) the final results by 6:00pm on the day of the event.
- -Mr M Grogan receives a photograph of the winning team by 6:00pm on the day of the event.

#### \*Mr M Grogan is responsible for:

- -ensuring that all schools entry to an event is confirmed once the entry survey is closed.
- -ensure that event organisers have a full list of schools for their event (by the Monday after the entry survey is closed).
- -overseeing all events (should I not be there I will communicate this to the organiser or an ATSA committee member).
- -providing schools with the Risk Assessment booklet
- -arranging medals, certificates and trophies for each event.

#### \*Mr M Grogan is responsible for (continued):

- -collecting number of participants at each event and updating ATSA records.
- -updating all ATSA social media platforms (ATSA Facebook, ATSA 'X', ATSA Instagram).
- -updating the ATSA website.
- -completing and sending any press releases.
- -arranging any meetings (where necessary).
- -arranging any additional events throughout the year.

# Should an event be cancelled, or should there be a 'significant change' to any events, then an email will be sent to all ATSA schools

#### \*School representatives are responsible for:

- -all risk assessments to and from the venue.
- -letting the named organiser know that they will be entering an event through completing the entry survey.
- -arriving at each event for the given start time if your children arrive at an event before you do, please ensure that you have already briefed them as to what to do (wait in car until you arrive/stay with their parents etc.) Ideally you should arrive before/at the same time as your children.
- -letting the named organiser know if they will be late arriving at an event.
- -ensuring that they have a full complement of competitors (correct number of boys/girls) for each event who are all aware of the rules of the given event and have the appropriate equipment (for example: shin pads). It was noted in previous years how some schools have brought 'extra' children (above the squad size permitted for a particular event). This will not be accepted the number of children present from your school to participate at an event should NOT exceed the number stated for an event.
- -ALL FIRST AID REQUIREMENTS/NEEDS FOR THE PARTICIPANTS FROM THEIR SCHOOL ARE MET (please ensure you complete a school accident form and ensure that the ATSA representative at the event receives a copy to forward to MG).
- -communicating the number of participants (children physically present at said event and 'new' participants for 2023 2024) either prior to an event, or upon arrival at each event to MG so that we have accurate information, it is essential that any staff members who bring a team to an ATSA event, who is not the usual ATSA representative, is aware that I will be asking them this when they arrive at an event. It may be a good idea that these numbers are worked out beforehand and are communicated so that the staff member can simply pass them on to me.
- -ensuring that they are aware of all photograph permission for their children (this must include both the written press and for social media platforms you can use your own school photograph form for this or the ATSA master form included within this booklet).
- -having their competitors in the correct place at the correct time at the event.
- -ensuring that competitors DO NOT question any officials should they not agree with a decision right or wrong!
- -ensuring that their parents/carers follow the ATSA Code of Conduct for spectators and parents/carers (see page 44).
- -ensuring that, should there be any negative incidents involving parents/carers and spectators that the event organiser/lead ATSA staff member present is informed and MG is informed on the night of the event, or the very next day.
- -ensuring that they are a role model for their children and parents by NOT questioning any decisions by the officials there have been occasions when competitors, parents and even staff were seen to question decisions made by the officials. Children will follow what adults do and so it is essential that the correct behaviour is modelled at all times by EVERYONE!
- -ensuring that during events, when an event organiser is speaking to the children, they do not communicate with other adults from other schools.
- -ensuring that their children follow the 'Friendship Through Sport' philosophy of ATSA by always playing within the rules of the sport and by shaking hands with opponents/officials at the end of a fixture/event.
- -ensuring that their children behave appropriately at all times.
- -promoting a positive ATSA image at all times to colleagues, parents and competitors.
- \*Should a 'new' event arise throughout the year, or should it be required to cancel an event then Mr M Grogan will inform all schools via email or the ATSA WhatsApp group.
- \*Any schools wishing to take part in the residential sports weekend in June 2026 must let Mr M Grogan know by Friday 24<sup>th</sup> October 2025.

# Atherton and Tyldesley Sports Association

Dear parents/carers,

Your child has been selected by their school to take part in an ATSA event. As adults, we have a responsibility to promote high standards of behaviour at these events. Children's sport is a time for them to develop their technical, physical, tactical and social skills. Therefore the following code of conduct should be adhered to ensure that the event can take place in a safe positive environment:

#### **CODE OF CONDUCT FOR SPECTATORS AND PARENTS/CARERS**

- \*Remember that children play for FUN.
- \*Applaud effort and good play as well as success.
- \*Always respect the match officials' decisions.
- \*Remain outside the field of play.
- \*Let the coach do their job and do not confuse players by telling them what to do (especially at half times).
- \*Encourage the players to respect the opposition, referee and match officials.
- \*Avoid criticising a player for making a mistake mistakes are part of learning.
- \*Never engage in, or tolerate, offensive, insulting or abusive language or behaviour.

If your behaviour compromises the above code, then the following will take place:

\*In the first instance, you will be issued with a verbal warning.

\*Should behaviour persist (on the same night) then you will be asked to leave the venue.

We hope that this does not happen, however, we have a responsibility to all the children from all the schools and we will not allow any behaviour to spoil things. I am sure that you will enjoy watching your child take part in Competitions against other schools and I wish them every success. Should you have any questions about the code of conduct, then please do not hesitate to contact me via the email address at the head of this letter.

Yours truly,

Mr M Grogan

## Cross Country Races Thursday 23<sup>rd</sup> October 2025 (first race: 10:00am)

**Event:** Cross Country Races

Venue: Atherton High School field

<u>Participants:</u> Schools can bring up to a maximum of **24 children** to make up their team. Your overall school team will comprise of

4 sub-teams, as follows:

Year 3 and 4 girls x 4 children Year 3 and 4 boys x 4 children Year 5 and 6 girls x 4 children Year 5 and 6 girls x 4 children

Format: 1 ½ laps of field for Y3/4 children and 2 ½ laps of field for Y5/6 children (see course layout)

Please complete the entry survey by 12:30pm on Friday 19th September if you will be entering the Cross Country races.

As previously agreed, you can bring a **maximum of 6 children** for each sub-team **however** only the first 4 runners will count for your sub-teams score and only enough medals will be provided on the day for 16 runners from a winning school.

Individual school team performances will be announced at the end of the event. All participating schools will receive certificates. The school that finishes first overall will receive a trophy and medals for each child. The winning school is determined by adding up the scores from all 4 school sub-teams and the school with the lowest score will be crowned the winner.

The aim is to start the first race (Year 3 and 4 girls) at **10:00am**. Only school staff will be allowed to enter the school field - there are to be no spectators on any part of school field at any time. On the day entrances to the field via Bee Fold Lane will be open. The 'tennis courts' gate will not be open. When you arrive at the venue, please direct your children to the spectator section that will be 'fenced off' for them (see course map) and collect your results envelopes from me. You will have one envelope for each of your school sub-teams (4 envelopes in total).

At the end of each race, each competitor will be handed a ticket with a number on it - this is their race position. It is important that you write the child's name and position on the outside of the envelope and put the ticket inside the envelope. You will also need to add up the total from your first 4 runners and write this in the space on the envelope provided (any problems then please see me on the night). Once you have done this, after each race, then please seal the envelope and hand it to me as soon as possible so that results can be promptly worked out.

The first race will involve your Year 3/4 girls sub-team. They will complete 1 ½ laps of the field. The second race will involve your Year 3/4 boys sub-team. They will also complete 1 ½ laps of the field. At the end of the race, the children will be given their race position ticket that they must hand in to you (see above).

Year 5 and 6 girls and boys will then be called through to start their races. The third race will involve your Y5/6 girls sub-team. They will complete 2 ½ laps of the field. The final race will involve your Year 5/6 boys sub-team. They will also complete 2 ½ laps of the field. At the end of the race, the children will be given their race position ticket that they must hand in to you (see above).

Once all envelopes are collected in and all scores have been added up, the results will be announced and medals presented.

<u>Please note:</u> no staff or children are to run next to any children at any time during the race. This could be seen to provide an unfair advantage, especially if the child is looking to secure a position in the top 3.

#### In order to ensure that the event runs smoothly there are a few things which need to be clarified/requested:

- When you arrive at the field, please stay in the fenced off area and find a 'base' for your school to put their bags etc. <u>All children should stay in this area until it is their turn to race and then return there after their race as they are waiting for the results</u> NO CHILDREN/ADULTS SHOULD RUN ROUND THE COURSE FOLLOWING THE OTHER CHILDREN WHO ARE RACING.
- It is imperative that you inform parents/carers that they are unable to access Atherton High School playing field during this event. PLEASE WILL YOU MAKE THIS CLEAR IN ANY CORRESPONDENCE YOU SEND OUT SO THAT PARENTS/CARERS ARE AWARE OF THIS. PEOPLE ARE ABLE TO SPECTATE ON WARDOUR STREET OR BEE FOLD LANE.
- Where possible, please bring any extra school staff that would be prepared to be course marshalls. This will just involve standing at different points of the course, directing children. I need the names of any such volunteers by <u>Friday 27<sup>th</sup> September.</u>
- Please ensure that competing children have inhalers (if needed) or any other medicines that they may need.

KS2 Inclusive New Age Kurling Competition
Thursday 6<sup>th</sup> November 2025 (3:45pm – 5:15pm)

**Event:** KS2 Inclusive New Age Kurling

Venue: School hall at St. Michael's CE Primary School, Leigh Road, Atherton

<u>Participants:</u> 6 x KS2 competitors from each school - Remember the objective is to encourage those pupils who have a disability, be it physical or learning

<u>Format:</u> Schools play each team in their group once – points/league system. Winner of each league to play off in a final match. Please complete the entry survey by <u>12:30pm on Friday 17<sup>th</sup> October</u> if you will be entering the KS2 Inclusive New Age Kurling Competition.

#### **Background**

St. Michael's was keen to find a sport that was easily accessible to pupils who have additional needs, embracing both physical and learning differences. New Age Kurling was well established at Two Porches and having experienced it at the Family Competitions at Hesketh Fletcher, we decided to commit to an Inclusive Friday Club which initially offered New Age Kurling. We have since extended the club to include Inclusive Tag Rugby, New Age Kurling and Boccia. This sustained commitment to the Paralympic Olympic Ideals gained the school Get Set Network accreditation in 2010. We have sets of Kurling and Boccia equipment for you to borrow if you would like to trial either in your own school. Please just ask, we are happy to help.

#### **Arrangements**

<u>Pupils:</u> A squad of 6. Please choose from KS2. This can be a mixture of girls and boys in whatever mix you think is appropriate for your school. <u>Remember the objective is to encourage those pupils who have a disability, be it physical or learning.</u> Please consider what support your pupils will need during the Competition and provide staff as required. We will allocate some support from St. Michael's to help but if 1:1 is needed, we request that individual schools provide that. Each match will require a team of 4 pupils selected from your squad. Hopefully, if all the ATSA schools can participate, there will be plenty of matches. There will be time before matches for visiting schools to have some coaching and practice, delivered by our House Captains.

<u>Kit</u>: There is no need for pupils to change into PE kit. School uniform is fine. However, if children are wearing fashion type shoes, then pumps or trainers would be more comfortable and safer.

<u>Access</u>: If you arrive by car, please park on Hope Fold Ave. There is a ramp onto the playground and a further ramp into the hall. Toilets are easily accessible from the hall and if required, there is a disabled toilet facility situated in the main area of the school. Coats etc can be hung up in the cloakroom situated just outside the hall.

**Refreshments:** Water or fresh juice and fruit will be provided for pupils when there is a break in their schedule. House Captains will provide this. Hot/cold drinks for staff.

First Aid: If required, first aid will be provided by St. Michael's staff. Those designated are qualified First Aiders.

**Spectators:** Because of space, no spectators can come to watch these events. It is anticipated that they will be finished at 5:15pm. **Rewards:** Each pupil will receive a certificate of participation. The school team that scores the most points will be awarded with a trophy to mark the occasion. (See Competition rules). Should you require any specific arrangements regarding access or further information then please do not hesitate to contact Mr D Berrisford at St. Michael's on <a href="mailto:d.berrisford@howebridge.wigan.sch.uk">d.berrisford@howebridge.wigan.sch.uk</a>. If you would like to call into St. Michael's to check out the access arrangements please do. We will try our best to accommodate the children you want to bring along.

#### **Competition Rules for New Age Kurling**

- \*A match will consist of two teams, each team having 4 competitors selected from a maximum of 6 squad players.
- \*Competitors can be a mixture of boys / girls in whatever combination schools consider appropriate.
- \*Teams will draw to decide whether to choose red or blue stones at the first 'end'. Please note that red stones always play first. This may or may not be an advantage, since if blue goes last, there is of course the opportunity to take out the opposition. Those of you who play bowls will be very familiar with this as a tactic! Stones can be played left or right handed.
- \*A match will consist of two 'ends'. If a team has elected to be 'red' at the first end, they will be 'blue' on the second and vice versa.
- \*Each competitor will deliver one stone from the marker and it must travel beyond the 'minimum distance' marker (5 metres).
- \*When scoring, the stone only has to be touching a part of the target to be awarded the higher mark.
- \*The overall team score in a match is the total from the individual stones.
- \*The team score for the Competition will be the total from the individual match.

- 7. Presentation to the Top 3 Pairs in each dance style.

#### Judging Criteria - how the top 3 from each Heat are chosen

The top 3 are chosen by the adjudicator based on dance ability, dance content, timing to music, presentation, performance and effort. The finalists will be placed based on the same criteria.

#### **Other Information:**

Cheering for your school is encouraged throughout, supporting the dancers as they perform.

When teaching the children, we advise teaching the whole group a cha and the whole group a jive, simple routines that can be executed well are better than complicated routines that aren't performed so well. Emphasis should be on performance, presentation and a fun routine that can be repeated until the music stops. The routines should be taught in pairs.

Once you have taught the dancers in the first lesson or two, then start to choose your dancers who will be dancing in Heat 1 Cha, Heat 2 Cha, Heat 1 Jive/RnR, Heat 2 Jive/RnR and then specialise their practice. How you select who is to dance in each Heat is up to you as a school.

Dress code – please keep outfits simple.

Footwear – although dance shoes are ideal, they are expensive and unnecessary for this event. A suggestion would be school PE pumps. Plastic soled shoes are a definite no, and no high heels please.

Hair should be neat and tidy, long hair should in either a bun or low ponytail (no high ponytails or loose long braids please, they are a weapon to your partner when turning fast).

At least 50% of the routines should include basic figures from Cha or Jive/RnR, additional fun & flair moves (think Strictly) are allowed however these must be safe to other dancers on the floor (i.e. cartwheels not allowed – flying legs near other dancers heads) as the dancers will not be on the floor alone.

If you have a teacher at your school who knows the Cha and Jive, you can teach this yourself. If you would like to teach the dances yourselves but don't have a teacher with Cha and Jive/RnR experience, you can have a teachers lesson or two with a 180 instructor to get you started.

Alternatively, we can provide a teacher to come into your school at a pre-arranged time to teach the children for you. Please don't leave booking this to the last minute as we do get booked up with other lessons quickly. For more information on this or should you wish to book then please contact Miss J Horrocks who can arrange this for you: <a href="mailto:180danceclub@googlemail.com">180danceclub@googlemail.com</a> (01942 882718).

ATHERTON HIGH SCHOOL

# Mixed Football League (Tyldesley section/Atherton section) Monday 12<sup>th</sup> January 2026 – April 2026

**Event:** Mixed football league

Venue: 3G pitch at Atherton High School and Fred Longworth School – Monday and Friday evenings (3:45pm KO and 4:15pm KO)

<u>Participants:</u> This event is for boys and girls in <u>Y3 – Y6. Please do not think that you are restricted to choosing children from <u>Y5/6.</u> If you feel that you have a younger child (Y3/4) who is good enough to play for your school team then please feel free to play them in your team – that decision is up to you as the coach!</u>

Format: Schools play each other once – points/league system (3 points for a win, 1 point for a draw and 0 points for a defeat). Once all games are completed, should two or more teams be levels on points, then 'head to head' results will be taken into account. Goal difference will not be counted and so please bear this in mind during matches. Should the 'head to head' result between the two schools have been a draw, then the numbers of goals the two schools have conceded will be looked at next. The school that has conceded the least will be the league winner. Should both schools involved have conceded the same number of goals, then there will be a play-off match between the two schools.

Children will only be permitted to play in one football league. For example, if you have a girl who represents your school in the Mixed Football League then this girl CANNOT also play in the Girls' Football League. Schools must decide which team some of their children are going to play for and then stick to their decision.

This also extends to the ATSA 'Cup Competition': all players must stick to one ATSA team all year.

Please complete the entry survey by 12:30pm on Friday 28th November if you will be entering the football league.

\*\*SCHOOLS WILL PLAY THE TEAMS WITHIN THEIR 'SECTION' AT FLHS\*\*

\*\*PLEASE NOTE: IF ONE TEAM CANCELS A MATCH OR WITHDRAWS FROM A FIXTURE DUE ANY REASON (INCLUDING A PRE-PLANNED SCHOOL RESIDENTIAL), THEN THE FIXTURE WILL NOT BE ARRANGED AND A 5-0 WIN WILL BE AWARDED TO THE OPPOSING TEAM\*\*

\*\*ONCE THE FIXTURES ARE PUBLISHED, REQUESTS FOR FIXTURE AMENDMENTS CANNOT BE MADE – PLEASE DO NOT TAKE IT UPON YOURSELF TO REARRANGE ANY MATCHES BETWEEN SCHOOLS.

\*\*THE DECISION OF ATSA REGARDING ALL FIXTURES IS FINAL\*\*

#### **Rules for all football competitions**

#### **BASIC RULES**

- \*Teams are to be made up of 7 x KS2 aged boys/girls. Schools may bring up to 3 substitutes.
- \*Substitutes can be used as required on a roll off roll on basis.
- \*Games will last 30 mins, split into 2 x 15 minute halves with 2 minutes for half time.
- \*Each team should bring a size 4 ball for warm ups and potential use in the game
- \*Players must wear shin guards and goalkeepers must wear a distinguishing playing strip. Shin guards must be covered entirely by the stockings. No metal studs to be worn.
- \*There is no offside.
- \*All players are allowed into the yellow semi circle (goalies area). The goalkeeper is also allowed out of the area, however they cannot handle the ball outside of the area if they do then a penalty will be award to the opposing team.
- \*Goals can be scored from anywhere
- \*Goalkeepers are allowed to: throw the ball out of their hands, kick it out of their hands or put the ball on the floor to kick it (should they select the last option then once the ball is on the floor, the ball is 'in play' and any attacking players can 'go' for the ball. Also if they do this, then they cannot pick it up again!).
- \*There are to be no headers. A header will result in an indirect free-kick. This will be taken at the point the ball was headed, or if in the penalty area, the game will restart at the nearest sideline of the penalty area

#### **FURTHER RULES**

Referees for matches will be organised by the lead staff member on the night (although please be prepared to step in should it be needed!)

<u>Please encourage your children to call the referee 'Sir/Miss' and to never question any decisions made – children who are observed persistently questioning the officials will be 'substituted' – Please make this clear to your children!</u>

Each match is controlled by a referee who has full authority to enforce the Laws of the Game in connection with the match to which they have been appointed. The Referee:

- \*Enforces the Laws of the Game
- \*Controls the match
- \*Stops, suspends or terminates the match, at their discretion, for any infringements of the laws
- \*Stops, suspends or terminates the match because of outside interference of any kind
- \*Stops the match if, in their opinion, a player is seriously injured and ensures that they are removed from the field of play
- \*Ensures that any player bleeding from a wound leaves the field of play
- \*Allows play to continue when the team against which an offence has been committed will benefit from such an advantage and penalises the original offence if the anticipated advantage does not ensue at that time
- \*Takes disciplinary action against players guilty of cautionable and/or sending-off offences
- \*Takes action against team officials who fail to conduct themselves in a responsible manner and may, at their discretion, expel them from the field of play and its immediate surrounds
- \*Ensures that no unauthorised persons enter the field of play
- \*Restarts the match after it has been stopped

#### **Decisions of the Referee**

- \*The decisions of the referee regarding facts connected with play are final.
- \*The referee may only change a decision on realising that it is incorrect or, at his/her discretion provided that play has not restarted.

#### Start and Restart of Play

A kick-off is taken at the centre of the playing area to start the game and after a goal has been scored, opponents must be 4.5m (5 yards) away from the ball, and in their own half of the field. The ball is played backwards.

#### **Method of Scoring**

A goal is scored when the whole of the ball passes over the goal line, between the goalposts and under the crossbar, provided that no infringement of the Laws of the Game has been committed previously by the team scoring the goal. The ball does not have to hit the back of the goal (however this would be helpful! Please be patience with referees on this one!)

#### **Fouls and Misconduct**

All free kicks are direct. For all free kicks opponents must be 4.5m (5 yards) from the ball

A free kick is awarded to the opposing team if a player commits any of the following offences in a manner considered to be careless, reckless or using excessive force:

- \*Kicks or attempts to kick an opponent
- \*Trips or attempts to trip an opponent
- \*Jumps at an opponent
- \*Charges an opponent
- \*Strikes or attempts to strike an opponent
- \*Pushes an opponent

A free kick is awarded to the opposing team if a player commits any of the following offences:

- \*Holds an opponent
- \*Spits at an opponent
- \*Handles the ball deliberately (except for the goalkeeper within his/her own penalty area)
- \*Plays in a dangerous manner
- \*Impedes the progress of an opponent
- \*Prevents the goalkeeper from releasing the ball from his/her hands

#### **Penalty Kick**

A penalty kick is awarded if any of the previous offences is committed by a player inside his/her own penalty area, irrespective of the position of the ball, provided it is in play.

All players except the defending goalkeeper and kicker must be outside the penalty area and at least 4.5m (5 yards) from the penalty mark. The ball must be kicked forward.

#### Cautionable Offences/Sending Off Offences

No referees will carry yellow/red card (positive thinking!!) it is not the intention to use these as a sanction however, in order to ensure that there is fair play at all times, the referee may speak to an individual player if:

- \*They are guilty of unsporting behaviour
- \*They show dissent by word or action
- \*They persistently infringe the Laws of the Game
- \*They delay the restart of play
- \*They fail to respect the required distance when play is restarted with a corner kick or free kick

Should a player persist with any of the above offences OR commit one of the following offences then the referee will ask that they are subbed and they will not return to the match:

- \*They are guilty of serious foul play
- \*They are guilty of violent conduct
- \*They spit at an opponent or any other person
- \*They deny the opposing team a goal or an obvious goal scoring opportunity, by deliberately handling the ball (this does not apply to a goalkeeper within his/her own penalty area)
- \*They deny an obvious goal scoring opportunity to an opponent moving towards the player's goal by an offence punishable by a free kick or penalty kick
- \*They use offensive or insulting or abusive language and/or gestures

Receives a second caution in the same match

#### **Throw-in**

A throw in is awarded should the ball go over the line that runs along the sides of the pitch OR if the ball goes into the 'team viewing area'. If the ball rebounds off any walls then it is play on. Should the ball go over the fence then it is a throw in from where it went over. A goal cannot be scored directly from a throw-in. Players must use both hands to deliver the ball from <u>behind</u> and over their head. The thrower may not touch the ball again until it has touched another player. If he/she does, a free kick will be awarded against them. The ball is in play immediately when it enters the field of play.

#### Corner Kicks/Goal Kicks

There are no corner kicks/goal kicks – it is 'play on' when the ball hits the fence. If the ball goes 'behind' the goal then it is the goalkeeper's ball (regardless of who has kicked it.

**Event:** Swimming Gala

Venue: The Pelican Centre, Tyldesley

Participants: 8 x KS2 children (4 boys/4 girls)

Your children will all compete in 3 races:

\*The first races (8 in total - a different boy and girl to swim in each of the following) are:

25m breast stroke

25m front crawl

25m backstroke

25 woggle race (for your 'weaker' swimmer of the group)

\*The second races (2 in total - 2 boys and 2 girls in each team to make a team of 4) are:

4 x 25m surfboard relay (children swim 25m with a surfboard – however they wish to 'use' it) Sit on it, use it like a float.

\*The final race (1 in total - all 8 children) is: 8 x 25m cannon (relay race for all 8 children swimming whichever stroke they prefer).

For each race the children will start in the water! Please can schools ensure that all children are quiet for the start of each race

Please complete the entry survey by **12:30pm on Friday 9<sup>th</sup> January** if you will be entering the swimming gala.

Please also complete your team sheet and return it electronically to Natalia Stothard by <u>Friday 27<sup>th</sup> February:</u> natalia@pelicancentre.org

#### **Further details**

It is recommended that there are 2 members of staff from your school at this event (one male and one female), however, should this be unrealistic for your school then there will be sufficient staff from the Pelican Centre to 'staff' the changing rooms, so please don't let this put you off from entering the gala. A points system will be used to decide this event. This depends on the number of schools that take part. For example: should there be 5 schools who take part then the winning swimmer will receive 5 points, second place will receive 4 points etc. Each swimmer will be timed, so that should we require to 'double up' races as we have more schools that enter, then we will still have accurate results.

Please complete the team sheet and ensure that a copy of this is sent to Natalia by Friday 27<sup>th</sup> February.

Should you require help to select your team (and you go swimming at the Pelican Centre) then please email class lists of your children to Natalia at the Pelican Centre who will more than happy to highlight children for you.

#### **EXTRA INFORMATION:**

This event is being led by Angela Pike, Kimberley Howarth-Munro and other volunteers and officials from Leigh Harriers. You can bring a maximum of 6 children for each sub-team **however** only the first 4 runners will count for your sub-teams score.

The first 6 individual runners in each race will receive a medal. At 12:00pm, there will be a presentation, upstairs in the club, with awards on offer for the following:

- Y3/4 girls winning team
- Y3/4 boys winning team
- Y5/6 girls winning team
- Y5/6 boys winning team
- Overall winning girls team
- Overall winning boys team
- Overall winning team
- Overall winning 'section' (Town trophy) ATSA or Wigan/Leigh

Overall school scores are determined by adding up the scores from all 4 school sub-teams and the school with the lowest score will be crowned the winner. The 'Town Trophy' award on offer for the winner between the ATSA and Wigan/Leigh Schools will be determined by adding up the scores from all 10 ATSA schools and all 10 W/L schools and the 'group' with the lowest total will win.

Should there be less than 10 schools taking part for any 'group', then the scores of the number of competing schools will be used so that this is fair. For example:

Should there be only 7 ATSA schools but 10 W/L schools, then the scores from the first 7 schools from each will be used.

The aim is to start the first race (Year 3 and 4 girls) at 10am. Registration will be open from 9:15am. It is recommended that you tell all your children to arrive for the 10am start time as once the races start you will not want to be checking that all your children have arrived.

When you arrive at Leigh Harriers, please ensure a member of staff from your school goes to the office upstairs at Leigh Harriers to register and collect your results envelopes. Then make your way to the spectator area of the athletics track and find a 'base' for your school to put their bags etc.

All spectators and children should stay in this area until it is their turn to race and then return there after their race as they are waiting for the results – PLEASE ENSURE THAT NO CHILDREN/ADULTS RUN ROUND THE COURSE FOLLOWING THE OTHER CHILDREN WHO ARE RACING.

You will receive 4 envelopes – one envelope for each of your school sub-teams (4 envelopes in total). At the end of each race, each competitor will be handed a ticket with a number on it - this is their race position. It is important that you write the child's name and position on the outside of the envelope and put the ticket inside the envelope. You will also need to add up the total from your first 4 runners and write this in the space on the envelope provided. Once you have done this, after each race, then please seal the envelope and hand it in (to one of the officials on the day) as soon as possible so that results can be promptly worked out.

The first race will involve your Year 3/4 girls sub-teams. They will be invited to the start line to commence their race – officials from Leigh Harriers will be on hand to support the children.

The staff member with the results envelopes needs to position themselves near to the finish line. At the end of the race, the children will be given their race position ticket. Remember to put the ticket in the correct envelope and add the totals before you hand in. This will then be repeated with the Y3/4 boys, Y5/6 girls and finally Y5/6 boys.

Please ensure that competing children have inhalers (if needed) or any other medicines that they may need. Unless informed otherwise, the following course will be taken for the races (see red line on maps below):

<u>Year 3/4 race</u>: 1/2 a lap of the field, then out onto the railway line path, turn up by the back of the College and then continue on the path and back onto the field to finish.

<u>Year 5/6 race</u>: 1 and 1/2 a lap of the field, then out onto the railway line path, turn up by the back of the College and then continue on the path and back onto the field to finish.

#### **EXTRA INFORMATION:**

Over the past year, the Pelican Centre has run mini polo sessions for schools and on a Friday evening they have a splash ball session which is extremely popular and well attended by local school children. Mini polo is a fun game based on water polo. The players do not necessarily have to be good swimmers — we have had non swimmers with woggles in the deep end etc — this is a game all can participate in. Skills from other sports such as netball, handball, football and other team sports are transferable across to mini polo. Below are the basics of the game and the rules. Every child who enters the tournament will receive a minimum of a certificate, top 3 teams will receive a medal each and winners a shield.

#### **Rules**

<u>Starting play:</u> To start the game, players line up along the goal line. At the referee's whistle, the referee drops the ball in the middle of the pool and players move (swim, run or walk) to the centre line. The first pass must be backwards to a team mate.

<u>Passing:</u> All players (except the goalie) must use 1 hand only in the game of Mini Polo. This applies to passing and shooting. For catching 2 hands can be used.

<u>Goal:</u> A goal is scored when the whole ball crosses the line of the front 2 posts of the net. (ball does not need to touch back of net) The ball carrier can only shoot once in the attacking half of the court. It is not permissible to shoot from one's own half.

<u>After a goal:</u> To start play after a goal is scored, players from each team must return to their own half. The ball starts at halfway with a player from the team which conceded a goal. On the referee's whistle, the player with the ball must pass backwards to a team mate and then the game will continue.

Players are permitted to walk along the bottom if they do not have the ball. If in possession of the ball the player must swim or pass.

Do not walk on the bottom when in possession of the ball

\*Go to your own half after a goal \*Do not splash other players \*Do not bounce the ball on the side

<u>Participants:</u> This event is for children in <u>Y3 – Y6. Please do not think that you are restricted to choosing children from Y5/6.</u> If you feel that you have a younger child (Y3/4) who is good enough to play for your school team then please feel free to play them in your team – that decision is up to you as the coach!

School can have a full squad of girls, however they can also have a squad which includes a maximum of three boys. Only two boys, per team, are allowed on court at the same time.

<u>Format:</u> Schools play each other once – points/league system (3 points for a win, 1 point for a draw and 0 points for a defeat). Once all games are completed, should two or more teams be levels on points, then 'head to head' results will be taken into account. Goal difference <u>will not</u> be counted and so please bear this in mind during matches.

Please complete the entry survey by <u>12:30pm on Friday 1<sup>st</sup> May</u> if you will be entering the Tyldesley section of the netball league. Fixtures: to be sent out by Mrs C Roberts to confirmed schools **wb 18/5/24**

### **Positional Responsibilities and Court areas**

Netball Court showing starting positions for a centre pass

#### Playing positions & court areas

Position	Responsibilities	Court Area
GS	To score goals and to work in and around the circle with the GA	1 & 2
GA	To feed and work with GS and to score goals	1, 2 & 3
WA	To feed the circle players giving them shooting opportunities	2 & 3
С	To take the Centre Pass and to link the defence and the attack	2, 3 & 4
WD	To look for interceptions and to prevent the WA from feeding the circle	3 & 4
GD	To win the ball and reduce the effectiveness of the GA	3, 4 & 5
GK	To work with the GD and to prevent the GS from scoring goals	4 & 5

#### **Court Areas:**

Offside: Player moving out of own area, with or without ball (on a line counts as within either area).

<u>Over a Third:</u> Ball may not be thrown over two transverse lines without being touched.

<u>Out of Court:</u> Ball is out of court when it contacts anything outside the court area (not the goalpost). The ball is returned into play by a Throw-In taken from a point outside the line where the ball left the court. The player stands with foot close to the line, and the ball must be thrown onto the court within three seconds.

#### Starting or Restarting the Game:

The players are responsible at the start and restart of play - Centre passes are taken alternately by the Centre, after a goal has been scored. All players must start in the goal thirds except the two Centres. The Centre with the ball starts with either one or both feet in the Centre Circle (if on one foot then the other must not have contact with the ground outside the Centre Circle) and must obey the footwork rule after the whistle has been blown. The opposing Centre stands anywhere within the Centre Third and is free to move. The Centre pass must be caught or touched by a player in or landing in or jumping from a stance in the Centre third.

#### Playing the Ball:

A player who has caught the ball shall play it or shoot for goal within three seconds.

A player may bounce or bat the ball once to gain control.

Once released, the ball must next be touched by another player.

There must be room for a third player between hands of thrower and catcher.

A player on the ground must stand up before playing ball.

#### Footwork:

Having caught the ball, a player may land or stand on:

One foot – while the landing foot remains grounded, the second foot may be moved anywhere any number of times, pivoting on the landing foot if desired. Once the landing foot is lifted, it must not be re-grounded until the ball is released. Two feet (simultaneously) – once one foot is moved, the other is considered to be the landing foot, as above. Hopping or dragging the landing foot is not allowed.

#### **Scoring a Goal:**

Only GS or GA can score – they must be completely within the circle when the ball is received in order to shoot for goal.

#### Toss up:

This is administered for all simultaneous infringements. The two players stand facing each other at their own shooting ends with hands by their sides and the umpire flicks the ball upwards not more than 60cm (2ft) in the air as the whistle is blown.

A FREE PASS is awarded for infringement of any of the preceding rules. It may be taken by any player allowed in that area, as soon as they have taken up a stationary position. (A player may not shoot from a free pass in the shooting circle).

#### Obstruction:

Player with ball: the nearer foot of the defender must be 0.9m (3ft) feet from the landing foot of the player with the ball, or the spot where the first foot had landed if one has been lifted. The defender may jump to intercept or defend the ball from this 0.9m (3ft) feet distance

#### Player without ball:

The defender may be close, but not touching, providing that no effort is made to intercept or defend the ball and there is no interference with the opponents throwing or shooting action. Arms must be in a natural position, not outstretched, and no other part of the body or legs may be used to hamper an opponent.

#### Intimidation: of any kind, is classed as obstruction.

A standing player is not compelled to move to allow an opponent a free run, but dangerous play must be discouraged, e.g. moving into the landing space of a player already in the air or stepping late into the path of a moving player.

#### Contact:

No player may contact an opponent, either accidentally or deliberately, in such a way that interferes with the play of that opponent or causes contact to occur.

A **PENALTY PASS** (or **PENALTY PASS/ PENALTY SHOT** if in the shooting circle) is awarded for the above infringements taken from where the infringement occurred. The offending player must stand out of play beside the thrower until the pass or shot has been taken. Any opposing player allowed in that area may take the penalty.

#### **Discipline Rule 19:**

Players and Team Officials must ensure that they are fully conversant with the rules covering "Breaking the Rules" and "Deliberate Delaying of Play" (including setting of Penalties).

### ATSA Chess Competition Thursday 4<sup>th</sup> June 2026 (1:30pm – 3:00pm)

**Event:** KS2 Chess Competition **Venue:** Hindsford CE Primary School

Participants: KS2 children (2 children per school with a limit of 8 schools)

<u>Format:</u> A 'live' draw will take place to determine which children play each other. The winner of each game will progress to the next round until we have two children left to play in a final match.

Please complete the entry survey by 12:30pm on Friday 1st May if your school will be taking part in the KS2 Chess Competition.

#### **EXTRA INFORMATION:**

Number of Players: Two

**How to Win:** The winner is the first person to put their opponent in checkmate, which means trapping their king.

**Starting:** White always moves first. The first move can be any of the pawns moving 2 or 1 squares forward. The only other piece that could move at first is the knight as they can jump over other pieces.

**Playing:** Take it in turns to move one piece each turn. Use the piece cards to help you learn how all the different pieces can move.

**Taking Pieces:** It is a good idea, where possible, to take your opponent's pieces. All you have to do is land on their piece. Then take it off the board and keep it at your side.

**Pawn Promotion:** If you manage to get one of your pawns all the way to the other side of the board, you can swap the pawn for a queen, bishop, knight or rook.

**Stalemate:** This is where you call the game a draw. It usually happens when you are at the end of the game and there are not many pieces left on the board. Either the two kings could just move around the board forever, or whoever moves is going to put themselves in check.

### Setting it Up

#### Remember:

The queen is always on its own colour and the king is always on its opposite colour.

### King

#### How many:

one per side

#### Where does it start?

The king starts next to the queen in the middle of the back row on the opposite colour to itself. So a black king will start on

#### How does it move?

The king can only move one square at a time but can go in anu direction

### Queen

#### How many:

#### Where does it start?

The queen starts next to the king in the middle of the back row on her own colour. So a black queen will start on a black square.

#### How does it move?

The queen can move as many squares as she likes in any direction in a straight line.

### **Bishop**

### How many:

#### Where does it start?

The bishops start on the back row either side of the king and queen.

#### How does it move?

One bishop will stay on the black squares and one will stay on the white squares. They can move as many squares as they like but only diagonally.

### Knight

#### How manu:

#### Where does it start?

The knights start on the back row either next to the bishops.

#### How does it move?

This is the only piece that can jump over other pieces. A knight moves in an 'L' shape in any direction. This can be, for example, one square across (left or right) two squares up or down or reverse the move and move two and then one.

### **Rook or Castle**

#### How manu:

two per side

#### Where does it start?

The rooks start on the back row next to the knights.

#### How does it move?

A castle can move as many squares as they like but only in a straight line.

### Pawn

#### How many:

#### Where does it start?

The pawns all start on the front row.

#### How does it move?

A pawn can only move forward one square at a time. However, very first move can be one or two squares. When a pawn takes another piece, it moves one space diagonally forward.

If you manage to get one of your pawns all the way to the other side of the board, you can swap the pawn for a queen, bishop, knight or rook.

A pawn taking another piece

### A Castle

A Special Move

#### Pieces involved:

Use the special rules to understand when a castle move can or cannot happen.

#### Special Rule 1:

It can happen if the king or the rook has not moved already in the game.

#### Special Rule 2:

It can happen if there are no pieces in between the king and the rook.

#### Special Rule 3:

It cannot be done to get the king out of capture

#### How it works:

The king moves two squares towards the rook and the rook jumps over the king and lands in the square next to it.

#### Benefits

It can free a rook from the corner if it is stuck behind pawns.

### Check and Checkmate

Check is when the king is in a square where another piece can take it.

This diagram shows the king in a square where it can be taken by all these pieces.

The king can get out of check by either moving itself one place to a safe square or another one of your pieces taking the piece that is putting it in check.

#### Checkmate

This is where it is impossible for the king not to be in check. As a result, the game is over

#### **Cricket Rules**

#### 1. Aim

1.1 The enjoyment for, and fair play by, all players.

#### 2. Pitch

2.1 Two sets of wickets, 16 yards apart with a marked boundary

#### 3. Teams

- 3.1 Each team comprises of 8 players. Squads are limited to 10 players.
- 3.2 In the event of injury to a player, a substitute will be allowed to field, but not bowl. Should such an injury prevent the player batting, a substitute will be allowed to bat only with the permission of the opposing member of staff.

#### 4. The Start

4.1 The two teams toss a coin to decide which team has the choice of either batting or fielding first.

#### 5. The Game

5.1 Throughout the Tournament each game shall consist of one innings per team, each innings to be 8 overs long (this may be amended depending on the number of teams that take part)

#### 6. Batting & Scoring

- 6.1 The batting side shall be divided into pairs, each pair batting for 2 overs, with a new pair starting at the end of the second, fourth and sixth overs.
- 6.2 Each team starts batting with a score of 200 runs.
- 6.3 Each time a batter is out, 5 runs are deducted and the other batter of the pair faces the next ball.
- 6.4 A batter may be out bowled, caught, run out, stumped, hit wicket.
- 6.5 There is no LBW law unless the batter deliberately blocks the ball with a leg or foot.
- 6.6 Runs will be scored in the normal way, as will byes.
- 6.7 2 runs will be awarded to the batting team for each wide ball and no-ball bowled, but no extra ball will be allocated, except in the final over of each innings when, in addition to the 2 runs, an extra ball will be bowled. See glossary overleaf for details.
- 6.8 At the end of the first 2 overs, the first pair of batters retires and is replaced by the second pair until all 4 pairs have batted for 2 overs each.
- 6.9 The second team then bats for its 8 overs.

#### 7. Bowling and Fielding

- 7.1 Each player on the fielding side must bowl 1 over.
- 7.2 Bowling will take place from one end only.
- 7.3 Bowling should be over arm where possible.
- 7.3.1. Overarm bowling should be encouraged with the first ball of each over overarm every time. If no amount of coaching and encouragement can achieve overarm bowling, even from a base start, then the rest of the over can be bowled underarm.
- 7.4 Players on the fielding side DO NOT need to rotate fielding positions.
- 7.5 With the exception of the wicketkeeper no fielder may field within 10 yards of the wicket, measured from the middle stump except behind the wicket on the off-side. A fielder may move into the restricted area to field a ball provided he/she was outside the area when the stroke was made.

#### 8. The Result

8.1 The team with the higher score wins. In the event of a tie the team taking more wickets will be the winner. If it is still equal, each player bowls 1 ball at the wickets (no batter), with the team scoring the higher number of strikes the winner.

#### Appendix ii: Glossary

#### 9. An Over

9.1 An over consists of 6 balls.

#### 10. LBW

10.1 In the very simple terms, a batter can be given out if the umpire feels that a ball, which hits the batter's leg, would have hit the stumps. This law will not be used unless a batter deliberately blocks or kicks the ball away with the leg or foot

#### **11. Byes**

11.1 If a batter misses the ball, or if it hits their body, they may still run and score byes.

#### 12. Wide ball

- 12.1 A ball that is too far from the batter to strike will be called a wide. A ball will not be called a wide, no matter how wayward it may be, if the batter manages to hit it.
- 12.2 If a ball results in more than 2 wides, they will be added to the batting team's score and the two runs for the wide will be ignored. For example, a bowler delivers a ball so wide it is missed by the wicketkeeper and crosses the boundary for 4. 4 runs are given to the batting side, not 6.

#### 13. No ball

- 13.1 If a ball bounces more than once before reaching the batsman, of if it reaches the batsman above shoulder height without bouncing, it will be called a no ball.
- 13.2 A batsman may hit a no ball and if the shot results in 3 or more runs being scored, that score will count and the 2 runs for the no ball will be ignored. If 1 or 2 runs are scored the batsman will be credited for the 2 runs for the no ball

### Atherton and Tyldesley Sports Association

#### Tag Rugby rules

The game should be aimed to be played with 10 players in a squad of which 3 must be female. The game will be played 7 v 7 and you must have at least 2 females on the pitch at all times.

The game will normally be 10 minutes in length maximum; this may be changed due to time scales of tournaments

All child protection issues should be followed at all times.

The game shall start with a tap in the centre of the field.

When the attacking team is in possession of the ball they will have 6 tags in which to try and score. If by the end of the 6 tags they have not scored, the ball will be turned over to the defending team.

If a player drops the ball when in possession and it is deemed to have travelled forward this will result in what is called a knock on and possession given to the defending team. If the ball is dropped and goes backwards the ref will call play on and the ball is free to be collected by either team.

The game will have no kicks.

A player must be wearing two tags to pass or carry the ball. A player who is wearing a single tag who receives the football will be deemed as held at the point at which the ball is received.

Once tagged players may play the ball with tag on the floor. Players must return to their tags before playing the ball.

When tagging you must hold the tag in the air and call tag so the ref is aware and place the tag down on the floor and retreat to the defensive line.

A defender must not throw the tag away from the point of tackle, this will result in a penalty to the attacking team.

If the attacking player knocks off any of his/her tags, this will result in a tackle and the ball should be played from the point the tag was knocked off.

Attacking players may NOT hand off defending players, this will result in a penalty to the defending team.

When playing the ball the DUMMY HALF (person behind the play the ball) is allowed to run and score but if they get tagged in the act this will result in a turn over to the defending team.

To score points a player must place the ball down over the try line, the ball may not be dropped over the try line or thrown over the try line this will result in a knock on, a player may not dive over the try line to score this will result in a turn over to the defending team as this gives a disadvantage to the defending team.
